The Decision

Background		
<p>This report requests approval of a waiver of the Council's Procurement Rule 9 to hire a Static Hot Box at Cuerden Depot.</p> <p>A hot box enables the storage of asphalt on LCC premises, having one on-site provides more flexibility to Highways and its approach to repairing defects. Having hot material available 24 hrs a day allows work to be undertaken in busy areas (town centres, busy roads) out of hours, and on Sundays when asphalt plants are closed. The flexibility afforded by having the hot box also enables Highways to effectively achieve its KPI targets to repair defects.</p>
