Detail

On 16 December 2021, Full Council approved the reintroduction of the Local Member Grants Scheme. Under the scheme, each county councillor has been given a specific budget which they can spend to enhance the economic, social, and environmental well-being of people who live in their division. Following the reintroduction, using powers in the Local Government and Public Involvement in

Health Act 2007, the Leader of the County Council has authorised individual county councillors to take formal decisions on behalf of the county council.

For the financial year 2024/25, each county councillor has a budget of £2000. Each councillor can also carry forward a maximum of £200 that was unspent in the previous financial year. County Councillor Alan Schofield's total budget is set out in the financial section of the report.

Details of the requests for grant funding are shown below:

What are you going to spend the grant on?	
<p>This summer, girls and leaders from 4 Brownie units from Girlguiding in East Lancashire are joining together to go on their first international trip – 5 days in Belgium, travelling by coach and ferry, and staying near Bruges. Days out during the trip include visits to Bruges, Brussels and over the border into the Netherlands for a visit to an activity farm and the beach. There are 29 excited travellers in total.</p> <p>If successful, the grant would be used towards the cost of the days out in Bruges and Brussels and The Netherlands.</p> <p>From each division: County Councillor Sue Hind - Clitheroe – 8 participants (two participants have received full grants from Girlguiding for the trip so we are not applying for grants for them)</p> <p>County Councillor Alan Schofield - Ribble Valley South West – 3 participants</p>	

County Councillor Mohammed Iqbal MBE - Brierfield and Nelson West – 7 participants

County Councillor Samara Barnes - Rossendale West – 9 participants

Date of your project / event or the purchase of goods

Trip is 1st – 5th August 2024

How will the money benefit people in the councillor(s) division(s)?

In Bruges, the participants will be visiting two museums, finding out about two of Belgium’s biggest exports – French Fries and Chocolate, as well as taking a canal trip and finding out about Bruges’ history through the canal ride commentary and later walking around the town.

In Brussels, the participants will visit Mini-Europe, a unique featuring all the wonders of Europe in miniature, learning about the history, geography and culture of Europe, and also the Atomium, Brussels’ iconic and most-famous attraction – inside there are displays about history, science, art – and several lifts, escalators and 260 steps!

As the accommodation we are using is not far from the Dutch border, we thought it would be fun to include a trip to The Netherlands in our trip, meaning we will visit three countries – France, Belgium and The Netherlands – in our five day adventure. We’ve found an activity farm that looks great fun and will also have time for a trip to the Dutch coast for some paddling.

Please give a detailed breakdown of your expenditure for your activity / equipment.

If you are not asking for the full amount of the cost of your activity / equipment, please give us details of where the rest of the funding is coming from. Please also explain what you will do if we give you the grant, but you do not get the other funding.

The cost of the trip is £450 per person, as shown in the budget at Q8, and this has been paid through personal payments, group and individual fundraising (including craft stalls, refreshment stalls, Virtual Balloon Race, Easter party, Burns Night dance party) grants from Rotary, Soroptimists, Freemasons, various Girlguiding grants and trusts. Most participants have raised/paid so far all but the last £75 due.

The trip is definitely going ahead, and we have received funding from a number of sources, with the balance paid by personal/parental payments.

If the councillor offers a grant of less than you have asked for, please explain below how that will affect your proposal – for example, will you still be able to complete your project or purchase, will you scale the project back, or seek funding elsewhere?

If the grant received is less than the amount for which we applied, it simply means a bit more fundraising in other ways or higher personal payments.

Will the activity involve members of your organisation having significant contact with children or vulnerable adults?
