

Kennington Road One Way TRO Ref 17-2012-300

Schedule and Statement of Reason

Revocations

Revoke from

The Borough of Preston (Various Streets) Traffic Regulation Order (No. 1) 1986.

The reference to Kennington Road in the first item in the first schedule:-

Kennington Road – between its junction with Chapel Road and its junction with Holmfield Road – in an east to west direction only.

New Restriction

One – Way traffic (except cycles)

Kennington Road – From Beechway to Holmfield Road, in an east to west direction.

Statement of reasons:

The purpose of the order is to avoid danger to persons or other traffic using these roads or for preventing the likelihood of any such danger arising and to facilitate the passage on these roads of any class of traffic, including pedestrians.

The one –way measures that are being suggested will, by reducing opposing vehicle movements along a section of Kennington Road lessen pedestrian conflict at the Beechway junction and generally improve road safety.

The provision of the contra flow cycle system along the proposed one way section of Kennington Road is considered appropriate given that the road is subject to a 20 mph speed limit and traffic flows, except at school drop off / collection times are generally light.

This facility will also maintain national cycle route 6 as it provides a safer alternative to Watling Street Road.
