Executive Summary

This report presents a joint application from a local organisation totalling £400 from the Local Member Grants Scheme.

The joint application is to the following county councillors and is requesting £200 from each councillor:

County Councillor Matthew Tomlinson
County Councillor Michael Green

Recommendation

The Cabinet Member for Children, Young People and Schools is requested to consider and approve the request for grant funding as set out in Appendix 'A' attached.

Background and Advice

Local Member Grants were originally set up in April 2006 to provide voluntary, community and faith sector (VCFS) organisations the opportunity to apply for funding to support projects that would benefit the local community.

On 29 March 2010, using powers in the Local Government and Public Involvement in Health Act 2007, the Leader of the County Council approved changes to the Local Member Grant scheme to enable individual county councillors to take formal decisions on behalf of the County Council. It was also agreed that a review of the administration of the new scheme should be undertaken to enable further

improvements to be made to the administration of the scheme, based on feedback received from applicants, councillors and officers. The review is now complete and the Leader of the County Council considered the findings of the review and agreed a number of improvements to it on 21 March 2011.

The above legislation however does not apply to cabinet members as they already have these decision making powers. The Cabinet Member for Children, Young People and Schools is therefore being asked to consider and agree the attached application for funding (in relation to their own Local Member Grant budget) under the existing decision making process for cabinet (Executive) members. Existing rules for executive decision making, including the notification of key decisions and provision for the call in of decisions will therefore continue to apply for cabinet members.

Under the grants scheme each county councillor has been given a specific budget which he/she can spend to enhance the economic, social, environmental well-being of people who live in their area (electoral division).

For the financial year 2013/14 each county councillor has a budget of £3,000. A maximum of £250 can be carried forward from the 2012/13 allocations to 2013/14 on the basis that it is committed to projects (via the normal approval process) by the end of the 2013/14 financial year.
