Recommendation

The Cabinet is asked to note the annual reports of the County Council's six Champions for 2013/14 as set out at Appendices 'A' - 'F'.

Background and Advice

In June 2002, the then Cabinet Member for Policy, Resources, Best Value and Member Support approved an annual allocation of £30,000 from the Change Contingency to support three members of the County Council as Champions; Young People, Older People and Parishes. In September 2010 the Cabinet approved the establishment of a new Champion for Disabled People, The Leader of the County Council, in August 2011, approved the establishment of the Champion for Armed Forces Veterans and in September 2013 Cabinet approved the establishment of the

Champion for Digital Inclusion each with an allocation of £10,000. The establishment of these additional roles has increased the overall annual allocation to support the work of the Champions to £60,000.

Each Champion is allocated a sum of £10,000 per annum for use at their discretion to finance their activities including organising and attending meetings, seminars and conferences and other similar events; the payment of a grant or loan to individuals and outside bodies and organisations within the scope of their remit; and other incidental costs necessary to enable them to fulfil their roles

Each Champion is required to submit an annual report to the Cabinet setting out how their allocation has been spent.

Attached at Appendices 'A' - 'F' are the annual reports for 2013/14 for each Champion, which outline the expenditure the Champions have incurred between 1 April 2013 and 31 March 2014 in their respective roles from the resources allocated to them on an annual basis.
