Background and Advice

The Scrutiny Committee approved the appointment of a Health Scrutiny Steering Group on 11 June 2010 following the restructure of Overview and Scrutiny approved by Full Council on 20 May 2010. The Steering Group is made up of the Chair and Deputy Chair of the Health Scrutiny Committee plus two additional members, one each nominated by the Conservative and Liberal Democrat Groups.

The main purpose of the Steering Group is to manage the workload of the Committee more effectively in the light of the increasing number of changes to health services which are considered to be substantial. The main functions of the Steering Group are listed below:

- To act as the first point of contact between Scrutiny and the Health Service Trusts;

- To make proposals to the main Committee on whether they consider NHS service changes to be 'substantial' thereby instigating further consultation with scrutiny;
- To liaise, on behalf of the Committee, with Health Service Trusts;
- To develop a work programme for the Committee to consider.

It is important to note that the Steering Group is not a formal decision making body and that it will report its activities and any aspect of its work to the full Committee for consideration and agreement.
