| <p>Large Housing Developments as developed in the Local Plan</p> | <p>G Concannon - WLBC</p> | <p>Action: The Borough Council were requested to consider how the suggestion of requiring builders to sign up to the Consideration Construction Scheme could be built into the planning process.</p> <p>Update: The Council wishes to promote good neighbourliness when large housing sites are under construction and as such, it is proposed to add the following NOTE to all major housing schemes (more than 10 dwellings): “Applicants and developers are advised to promote good neighbourliness by reference to the Considerate Constructors Scheme (CCS). This is an independent organisation set up by the construction industry, which promotes a voluntary code, to promote good neighbourliness when large housing sites are under construction. If a developer has signed up to the code, they are required to display this on the site and members of the public can report any alleged breaches of the code to the</p> | <p>Complete</p> |
