

Consultation on the Expansion of Trinity CE/Methodist Primary School, Buckshaw Village, Chorley, PR7 7HZ

January/February 2015

A consultation event in connection with this proposal will be held on Tuesday 3rd February 2015 at the school. Further information is provided inside.

Produced by the Provision Planning Team, Directorate for Children and Young People, Lancashire County Council

Foreword

Lancashire is a large, diverse area served by some superb schools and we are committed to improving this excellence by continuing to raise standards and opportunities, for all our children and young people.

Lancashire County Council has a statutory duty to provide primary and secondary school places to every child of school age living in Lancashire who requests one. In achieving this, Lancashire, like many other authorities, faces many challenges. Changing demographic factors mean that we must constantly review the number and location of the school places we provide.

The county council and its schools work together with parents and a range of service providers to help our children to be safe, to enjoy and achieve, to be listened to, to belong to the community, and to achieve economic well-being.

We want all our children and their parents to have pride in their local school and cultivate an appetite for lifelong learning.

We aim to provide schools that meet the needs of our communities and, at times, this may involve increasing the number of school places in a particular school.

I hope that you will take a little time during this consultation period to let us know your views on what we are proposing to do. We will not make a decision until we have carefully considered all responses to this consultation.

Please help us to improve educational provision for Lancashire children.

Our vision and what we would like to achieve

Education is a powerful means of transforming and enriching lives and communities. Future success and well-being depends on strong creative partnerships, new ways of working, high expectations and a belief that we all have a part to play and can make a difference together.

Lancashire County Council is committed to improving the quality of educational provision to help raise standards for all learners. Our Vision sees schools operating at the centre of their immediate and often extended communities.

What are we proposing to do?

This consultation document is about the proposed permanent expansion of Trinity Church of England/Methodist Primary School, Unity Place, Buckshaw Village, Chorley, PR7 7HZ.

The Cabinet Member for Children, Young People and Schools approved the temporary expansion of Trinity Church of England/Methodist Primary School, on 4th December 2014, to provide an additional 30 places in Reception year in September 2015 for one year only. This temporary expansion will be enabled by using existing accommodation on the site.

On 12th January 2015, the Cabinet Member for Children, Young People and Schools approved a period of consultation to be undertaken on a proposal to allow a permanent increase in Reception intake from 60 to 90 places for September 2016 and beyond to Trinity Church of England/Methodist Primary School. This will be enabled by expanding the school onto a second site (currently referred to locally as 'Group One' site) which is secured for the provision of primary school places on Buckshaw Village. Should this occur, appropriate changes to the admission criteria will be considered by the governing body.

Why are we proposing this?

As a result of the recent growth in the number of births in the local area, coupled with the effects of significant housing development, the number of school places currently available will not be enough to meet the increased demand as the children reach school age. Therefore, additional permanent places are needed in the Euxton area, which includes Buckshaw Village.

Expansion of Schools and the School Organisation and Governance Regulations

The provisions of the School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2013, state that if a local authority proposes to enlarge the premises of a school by which the capacity of the school would increase by more than 30 pupils and by 25% or 200 pupils more (whichever is the lesser), their proposal must be published in a statutory notice.

Informal Consultation

The issue of this document marks a period of consultation during which the views of any interested parties are sought and which will be considered before any move to the more formal stages of the process.

There are then 4 stages to the statutory process which must be followed:

Stage One - Publication

Dependent upon the outcome of the consultation, a decision to proceed to issue a statutory notice must be made by the Cabinet Member for Children, Young People and Schools.

Stage Two - Representation

Statutory notices for school enlargements allow a 4 week period for anyone to submit their comments on the proposals. This enables people to express their views in the form of supporting or objecting to the proposals.

Stage Three - Decision

Within 2 months after the statutory notice period ends, the authority must make a decision on the proposal.

Stage Four - Implementation

If the proposal is approved Trinity Church of England/Methodist Primary School would increase the number of pupils admitted into Reception year by an additional 30 pupils. This would mean that the number of reception places in September 2016 and for each following year will increase from 60 to 90, resulting in the school's capacity increasing from 420 to 630.
