

Positive Experiences Of Care

THURSDAY 23RD APRIL

By Members Of L.I.N.X.

WHAT WE DISCUSSED

- Members of L.I.N.X discussed what ages they went into to care at, the range from 3-15 years of age.

WHAT WE DISCUSSED

❖ Positive memories include: going to Spain when 18, moving closer to my high school so I didn't have to get a taxi everyday, moving schools has made me feel settled, losing lots of weight and becoming fit and healthy, winning awards for my work in the community, strong relationships with carers and other peers, becoming more independent.

WHAT WE DISCUSSED

❖ Escaping from violent abuse. helping resolve personal issues like bullying.

WHAT WE DISCUSSED

❖ **Have raised a lot of money for charity, getting extra help in my PEP, getting support from others, having a good network of friends.**

WHAT WE DISCUSSED

❖ Personal achievements: getting into college,
extra tuition at school, funding for trips.

FAMILY / CARE DISCUSSION

- Explained to a bit better when getting taken into care.
- More contact with birth family.
- Checking the background of the people you live with and the accommodation.
- Being fully prepared when moving placements.
