

## **West Pennine Moors**

### **Lancashire County Council activity in 2014/15**

As in 2013/14, Lancashire County Council activity in the West Pennine Moors continues to be limited.

#### **Healey Nab**

##### **Site Cover**

The site is patrolled on Sundays by a dedicated team of volunteer rangers. These rangers report back to full-time ranger Nick Haigh. Volunteers deal with most issues that arise on their duty patrolling Healey Nab. If there are issues that they cannot deal with they contact the full-time Ranger for help or advice or pass it on to the full-time Ranger to resolve.

##### **Volunteer activities**

Volunteers carry out site checks and help interpret the site to visitors.

Typical activities include:

Litter picking, checking for fires, reporting windblown trees and tree damage, checking the mountain bike trail, resolving access issues (e.g. walkers using the mountain bike paths and mountain bikers using footpaths).

##### **Public Rights of Way**

Maintenance of the public rights of way network is ongoing as part of the statutory responsibilities of the County Council. This is often in partnership with United Utilities' ranger team. Any issues about rights of way should be reported to the public rights of way team on [PROWreports@lancashire.gov.uk](mailto:PROWreports@lancashire.gov.uk)
