28 September 2015

Dear Councillor Brown

Audit Findings for Lancashire County Pension Fund for the year ending 31 March 2015

This Audit Findings report highlights the significant findings arising from the audit for the benefit of those charged with governance (in the case of Lancashire County Pension Fund, the Audit and Governance Committee), as required by International Standard on Auditing (UK & Ireland) 260. Its contents have been discussed with management.

As auditors we are responsible for performing the audit, in accordance with International Standards on Auditing (UK & Ireland), which is directed towards forming and expressing an opinion on the financial statements that have been prepared by management with the oversight of those charged with governance. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities for the preparation of the financial statements.

The contents of this report relate only to those matters which came to our attention during the conduct of our normal audit procedures which are designed primarily for the purpose of expressing our opinion on the financial statements. Our audit is not designed to test all internal controls or identify all areas of control weakness. However, where, as part of our testing, we identify any control weaknesses, we will report these to you. In consequence, our work cannot be relied upon to disclose defalcations or other irregularities, or to include all possible improvements in internal control that a more extensive special examination might identify. We do not accept any responsibility for any loss occasioned to any third party acting, or refraining from acting on the basis of the content of this report, as this report was not prepared for, nor intended for, any other purpose.

We would like to take this opportunity to record our appreciation for the kind assistance provided by the finance team and other staff during our audit.

Yours sincerely

Karen Murray
Engagement lead

Executive summary

Purpose of this report

This report highlights the key matters arising from our audit of Lancashire County Pension Fund's (the Fund) financial statements for the year ended 31 March 2015. It is also used to report our audit findings to management and those charged with governance in accordance with the requirements of International Standard on Auditing 260 (ISA UK&I).

Under the Audit Commission's Code of Audit Practice we are required to report whether, in our opinion, the Fund's financial statements present a true and fair view of the financial position and expenditure and income for the year and whether they have been properly prepared in accordance with the CIPFA Code of Practice on Local Authority Accounting.

Introduction

In the conduct of our audit we have not had to alter or change our planned audit approach, which we communicated to you in our Audit Plan dated March 2015 and presented to the Audit & Governance Committee June 2015.

We received draft financial statements and accompanying working papers at the start of our audit, in accordance with the agreed timetable.

Our audit is substantially complete although we are finalising our work in the following areas:

- completion of final specialist partner review;
- obtaining and reviewing the final management letter of representation; and
- updating our post balance sheet events review, to the date of signing the opinion.

Key issues arising from our audit

Financial statements opinion

We anticipate providing an unqualified opinion in respect of the Fund's financial statements.

We have not identified any adjustments affecting the Fund's reported financial position. However, we have agreed with officers some minor adjustments to improve the presentation of the financial statements, including a non adjusting post balance sheet event note to provide an update on the asset management and liability partnership proposal with London Pension Fund Authority.

The Fund have implemented the new guidance from CIPFA in relation to administration and management costs, building on the work already done to improve the transparency of Fund's reporting in this area.

Further details are set out in section two of this report.

Controls

Roles and responsibilities

The Council's management is responsible for the identification, assessment, management and monitoring of risk, and for developing, operating and monitoring the system of internal control.

Our audit is not designed to test all internal controls or identify all areas of control weakness. However, where, as part of our testing, we identify any control weaknesses, we report these to the Council as the administering authority.

Findings

Our work has not identified any control weaknesses which we wish to highlight for your attention.

Further details are provided within section two of this report.

The way forward

Matters arising from the financial statements audit have been discussed with the Director of Lancashire County Pension Fund, the Interim Director of Financial Resources and the finance team.

Acknowledgment

We would like to take this opportunity to record our appreciation for the assistance provided by the finance team and other staff during our audit.

Grant Thornton UK LLP
September 2015

Section 2: Audit findings

01. Executive summary

02. Audit findings

03. Fees, non-audit services and independence

04. Communication of audit matters

Audit findings

In this section we present our findings in respect of matters and risks identified at the planning stage of the audit and the additional matters that arose during the course of our work. We set out on the following pages the work we have performed and the findings arising from our work in respect of the audit risks we identified in our audit plan, dated March 2015 and presented to the Audit and Governance Committee in June 2015. We also set out the adjustments to the financial statements arising from our audit work and our findings in respect of internal controls.

Changes to Audit Plan

We have not made any changes to our Audit Plan as previously communicated to the Audit & Governance Committee in June 2015.

Audit opinion

We provide two opinions on the Pension Fund, as follows:

- an audit opinion on the Pension Fund financial statements included in the Council's Statement of Accounts; and
- an opinion on the Pension Fund financial statements included in the Pension Fund Annual Report, which confirms if these financial statements are consistent with the financial statements in the Statement of Accounts.

Our proposed audit opinion on the Pension Fund financial statements in the Statement of Accounts is set out in Appendix A.

We also propose to give an unqualified consistency with opinion on the financial statements in the Annual Report as set out in Appendix B.

Audit findings against significant risks

"Significant risks often relate to significant non-routine transactions and judgmental matters. Non-routine transactions are transactions that are unusual, either due to size or nature, and that therefore occur infrequently. Judgmental matters may include the development of accounting estimates for which there is significant measurement uncertainty" (ISA (UK&I) 315).

In this section we detail our response to the significant risks of material misstatement which we identified in the Audit Plan. As we noted in our plan, there are two presumed significant risks which are applicable to all audits under auditing standards.

	Risks identified in our audit plan	Work completed	Assurance gained and issues arising
1.	<p>Improper revenue recognition</p> <p>Under ISA (UK&I) 240 there is a presumed risk that revenue may be misstated due to improper recognition</p>	<p>We rebutted this presumption during the interim phase of the audit, and this was communicated to members as part of the audit plan.</p>	<p>Our audit work has not identified any issues in respect of revenue recognition.</p>
2.	<p>Management override of controls</p> <p>Under ISA (UK&I) 240 there is a presumed risk of management over-ride of controls</p>	<p>We carried out:</p> <ul style="list-style-type: none"> • a review of accounting estimates, judgements and decisions made by management • testing of journal entries • a review of unusual significant transactions 	<p>Our audit work has not identified any evidence of management override of controls. In particular the findings of our review of journal controls and testing of journal entries has not identified any significant issues.</p> <p>We set out later in this section of the report our work and findings on key accounting estimates and judgments.</p>
3.	<p>Level 3 Investments – Valuation is incorrect</p> <p>Level 3 investments by their very nature require a significant degree of judgement to reach an appropriate valuation at year end.</p> <p>Under ISA (UK&I) 315 this was identified as a significant risk as the valuations include significant judgemental matters.</p> <p>(Investment fair value measurements priced using inputs not based on observable market data)</p>	<p>We have carried out procedures and reviews sufficient to understand the pension fund's arrangements for gaining assurance over the nature and basis of valuation of these investments.</p> <p>For a sample of individual investments, we tested valuations by obtaining and reviewing audited accounts at latest date and agreeing these to the fund manager reports at that date. We reviewed the reconciliation of those values to the values at 31 March with reference to known movements in the intervening period.</p>	<p>Our audit work has not identified any issues in respect of the valuations applied to year end level 3 investments.</p>

Audit findings against other risks

In this section we detail our response to the other risks of material misstatement which we identified in the Audit Plan.

Transaction cycle	Description of risk	Work completed	Assurance gained & issues arising
<p>Investment income</p> <p>Investment purchases and sales</p>	<p>Investment activity not valid. Investment income not accurate. (Accuracy)</p> <p>Investment activity not valid. Investment valuation not correct.</p>	<p>We have undertaken the following work in relation to these risks:</p> <ul style="list-style-type: none"> • documented our understanding of processes and key controls over these transaction cycles • undertaken walkthrough of the key controls to assess the whether those controls were in line with our documented understanding • carried out a detailed reconciliation of information provided by the fund managers, the custodian and the Pension Fund's own records and sought explanations for variances. 	<p>Our audit work has not identified any significant issues in relation to the risks identified.</p>
<p>Investment values – Level 2 investments</p>	<p>Valuation is incorrect. (Valuation net)</p>	<p>We have undertaken the following work in relation to this risk:</p> <ul style="list-style-type: none"> • reviewed the reconciliation of information provided by the fund managers, the custodian and the Pension Fund's own records and sought explanations for variances • tested a sample of level 2 investments to independent information from custodian/manager on units and on unit prices where the custodian does not provide independent pricing confirmation; and • for direct property investments we agreed values in total to valuer's report and undertake steps to gain reliance on the valuer as an expert. 	<p>Our audit work has not identified any significant issues in relation to the risk identified.</p>

Audit findings against other risks continued

Transaction cycle	Description of risk	Work completed	Assurance gained & issues arising
Contributions	Recorded contributions not correct. (Occurrence)	<p>We have undertaken the following work in relation to this risk:</p> <ul style="list-style-type: none"> • documented our understanding of processes and key controls over the transaction cycle • undertaken walkthrough of the key controls to assess the whether those controls were in line with our documented understanding • carried out procedures and reviews sufficient to understand the Pension Fund's arrangements for gaining assurance over recorded contributions • carried out controls testing over occurrence, completeness and accuracy of contributions • rationalised contributions received with reference to changes in member body payrolls and numbers of contributing pensioners to ensure that any unexpected trends are satisfactorily explained 	Our audit work has not identified any significant issues in relation to the risk identified.
Benefit payments	Benefits improperly calculated/claims liability understated (Completeness, accuracy and occurrence)	<p>We have undertaken the following work in relation to this risk:</p> <ul style="list-style-type: none"> • documented our understanding of processes and key controls over the transaction cycle • undertaken walkthrough of the key controls to assess the whether those controls were in line with our documented understanding • carried out procedures and reviews sufficient to understand the Pension Fund's arrangements for gaining assurance over benefit payments. • carried out controls testing over completeness, accuracy and occurrence of benefit payments, considering key controls • undertook attribute testing for a sample of new pensions into payment • rationalised pensions paid with reference to changes in pensioner numbers and increases applied in the year to ensure that any unusual trends are satisfactorily explained. 	Our audit work has not identified any significant issues in relation to the risk identified.

Audit findings against other risks continued

Transaction cycle	Description of risk	Work completed	Assurance gained & issues arising
Member data	Member data not correct. (Rights and Obligations)	<p>We have undertaken the following work in relation to this risk:</p> <ul style="list-style-type: none"> • documented our understanding of processes and key controls over the transaction cycle • undertaken walkthrough of the key controls to assess the whether those controls were in line with our documented understanding • carried out procedures and reviews sufficient to understand the Pension Fund's arrangements for gaining assurance over member data • carried out controls testing over annual/monthly reconciliations and verifications with individual members • sample tested changes to member data made during the year to source documentation. 	Our audit work has not identified any significant issues in relation to the risk identified.

Accounting policies, estimates & judgements

In this section we report on our consideration of accounting policies, in particular revenue recognition policies, and key estimates and judgements made and included with the Council's financial statements.

Accounting area	Summary of policy	Comments	Assessment
Revenue recognition	<ul style="list-style-type: none"> • Contribution Income: normal contributions for both employee and employers is accounted for on an accruals basis. • Transfers to and from the scheme: Transfers are recognised when they are received / paid. • Investment Income: The Fund adopts several different recognition approaches dependent on the types of investment as disclosed within the statements. 	<ul style="list-style-type: none"> • The revenue recognition policies of the Fund are appropriate and in line with the relevant accounting framework. • The application of the revenue recognition policies at the Fund is not considered complex, and our testing has not identified any inappropriate revenue recognition. 	 Green
Estimates and judgements	<ul style="list-style-type: none"> • Key estimates and judgements include : <ul style="list-style-type: none"> – investment valuation for unquoted, hard to value investments – pension fund actuarial valuations and settlements. 	<ul style="list-style-type: none"> • The valuation of the Fund's hard-to-value investments have been substantively tested to gain assurance that it is not materially misstated • We have confirmed that the work of the actuary is in line with professional standards and regulation, and that they are a reliable source of estimation relating to the pension fund liabilities. 	 Green

Assessment

- Marginal accounting policy which could potentially attract attention from regulators
- Accounting policy appropriate and disclosures sufficient

- Accounting policy appropriate but scope for improved disclosure

Accounting policies, estimates & judgements continued

Accounting area	Summary of policy	Comments	Assessment
<p>Other accounting policies</p>	<p>We have reviewed the Fund's policies against the requirements of the CIPFA Code and accounting standards.</p>	<p>Our review of accounting policies has not highlighted any issues which we wish to bring to your attention.</p>	<p style="text-align: center;">  Green </p>

Assessment

● Marginal accounting policy which could potentially attract attention from regulators

● Accounting policy appropriate but scope for improved disclosure

● Accounting policy appropriate and disclosures sufficient

Other communication requirements

We set out below details of other matters which we are required by auditing standards to communicate to those charged with governance.

	Issue	Commentary
1.	Matters in relation to fraud	<ul style="list-style-type: none"> We have previously discussed the risk of fraud with the Audit and Governance Committee. We have not been made aware of any incidents in the period and no other issues have been identified during the course of our audit.
2.	Matters in relation to laws and regulations	<ul style="list-style-type: none"> We are not aware of any significant incidences of non-compliance with relevant laws and regulations.
3.	Written representations	<ul style="list-style-type: none"> A standard letter of representation has been requested from the Fund.
4.	Disclosures	<ul style="list-style-type: none"> Our review found no non-trivial omissions in the financial statements. Management has added a non-adjusting post balance sheet event note to provide an update on the asset management and liability partnership proposal with London Pension Fund Authority.
5.	Matters in relation to related parties	<ul style="list-style-type: none"> We are not aware of any related party transactions which have not been disclosed with the exception of key management personnel disclosures. However, this is due to a difference in interpretation of the CIPFA Code in this respect. IAS 24 requires the inclusion of an extended disclosure note about the compensation of key management personnel. The CIPFA code includes a specific dispensation from this requirement, instead following the regulatory disclosure requirements around remuneration of members and staff. The Fund has chosen to follow the CIPFA example pension fund accounts which refer to this dispensation in the Pension Fund disclosure notes, (note 24), and cross references the reader to the Council's main financial statements where such regulatory disclosures are made. In our view, this disclosure is not appropriate since the regulatory disclosures in the Council's main accounts include senior management personnel who are not involved in the management of the pension fund and will exclude some who are. Additionally, in the context of the separately published Pension Fund Annual Report, such cross referencing is not helpful. In our view the Fund should either make the full IAS24 disclosures within the pension fund accounts, or make the regulatory disclosures set out in the Code specific to those key management personnel involved in the Pension Fund. However we recognise that the position taken by the Fund is not inconsistent with the Code or CIPFA's guidance (in the form of the example pension fund accounts provided by them) and that following the management restructure for 2015/16 the expected disclosures will be made in future years.
6.	Confirmation requests from third parties	<ul style="list-style-type: none"> We obtained direct confirmations from all external fund managers and custodian for investment balances and requested management permission to send confirmation requests for bank and investment balances. This permission was granted and the requests were sent. All requests were returned with positive confirmation.
7.	Going concern	<ul style="list-style-type: none"> Our work has not identified any reason to challenge the Fund's decision to prepare the financial statements on a going concern basis.

Internal controls

The purpose of an audit is to express an opinion on the financial statements.

Our audit included consideration of internal controls relevant to the preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control. We considered and walked through the internal controls for Investments, contributions, benefit payments and member data as set out on pages 10 and 13 above.

The controls were found to be operating effectively and we have no matters to report to the Audit and Governance Committee.

As part of our planned programme of work, our information systems specialist team undertook a high level review of the general IT control environment at the Administering Authority. This was undertaken as part of the review of the internal controls system. We are pleased to report that no significant issue arose from our work. We identified a small number of areas where the Council's existing IT arrangements can be further developed. None of these are specific to the Pension Fund, and have been shared with the Interim Director of Financial Resources for information.

Misclassifications & disclosure changes

The table below provides details of misclassification and disclosure changes identified during the audit which have been made in the final set of financial statements.

Adjustment type	Value £'000	Account balance	Impact on the financial statements
1 Presentation and Disclosure	Various		A number of minor presentational and disclosure issues were amended in the accounts.
NB: None of the presentation or disclosure issues impact on the Fund's reported outturn position.			

Section 3: Fees, non-audit services and independence

01. Executive summary

02. Audit findings

03. Fees, non-audit services and independence

04. Communication of audit matters

Fees, non-audit services and independence

We confirm below our final fees charged for the audit and confirm there were no fees for the provision of non audit services.

Fees

	Per Audit plan £	Actual fees £
Fund audit scale fee	34,169	34,169
IAS19 Protocol audit work	1,737	1,737
Total audit fees	35,906	35,906

There is no change in the audit fee as reported in the Audit Plan. The audit fee of £1,737 relates to providing assurance to other auditors under the IAS19 protocol, which has been approved by the Audit Commission and discussed with officers.

Independence and ethics

Ethical standards and International Standards on Auditing (ISA) 260 require us to give you full and fair disclosure of matters relating to our independence. In this context, we disclose the following to you:

- the in-charge member of our team has a family member who works within the Pension Fund's benefits administration team. To avoid any potential conflicts, this member of our team does not undertake any work on the benefits payable elements of the accounts and is not responsible for the planning or supervision of such work.

We have complied with the Auditing Practices Board's Ethical Standards and therefore we confirm that we are independent and are able to express an objective opinion on the financial statements.

We confirm that we have implemented policies and procedures to meet the requirement of the Auditing Practices Board's Ethical Standards.

Section 4: Communication of audit matters

01. Executive summary

02. Audit findings

03. Fees, non-audit services and independence

04. Communication of audit matters

Communication of audit matters to those charged with governance

International Standard on Auditing ISA (UK&) 260, as well as other (UK&I) ISAs, prescribe matters which we are required to communicate with those charged with governance, and which we set out in the table opposite.

The Audit Plan outlined our audit strategy and plan to deliver the audit, while this Audit Findings report presents the key issues and other matters arising from the audit, together with an explanation as to how these have been resolved.

Respective responsibilities

The Audit Findings Report has been prepared in the context of the Statement of Responsibilities of Auditors and Audited Bodies issued by the Audit Commission (www.audit-commission.gov.uk).

We have been appointed as the Council's independent external auditors by the Audit Commission, the body responsible for appointing external auditors to local public bodies in England. As external auditors, we have a broad remit covering finance and governance matters.

Our annual work programme is set in accordance with the Code of Audit Practice (the Code) issued by the Audit Commission and includes nationally prescribed and locally determined work. Our work considers the Fund's key risks when reaching our conclusions under the Code.

It is the responsibility of the Council to ensure that proper arrangements are in place for the conduct of its business, and that public money is safeguarded and properly accounted for. We have considered how the Council is fulfilling these responsibilities.

	Audit Plan	Audit Findings
Our communication plan		
Respective responsibilities of auditor and management/those charged with governance	✓	
Overview of the planned scope and timing of the audit. Form, timing and expected general content of communications	✓	
Views about the qualitative aspects of the entity's accounting and financial reporting practices, significant matters and issues arising during the audit and written representations that have been sought		✓

Appendices

Appendix A: Audit opinion for inclusion in Lancashire County Council's statements

We anticipate we will provide the Council with an unmodified audit report on the Pension Fund

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LANCASHIRE COUNTY COUNCIL

We have audited the pension fund financial statements of Lancashire County Council for the year ended 31 March 2015 under the Audit Commission Act 1998. The pension fund financial statements comprise the Fund Account, the Net Assets Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2014/15.

This report is made solely to the members of Lancashire County Council, as a body, in accordance with Part II of the Audit Commission Act 1998 and as set out in paragraph 48 of the Statement of Responsibilities of Auditors and Audited Bodies published by the Audit Commission in March 2010. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Interim Director of Financial Resources and auditor

As explained more fully in the Statement of responsibilities for the statement of accounts the Interim Director of Financial Resources is responsible for the preparation of the Authority's Statement of Accounts, which include the pension fund financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2014/15, and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the pension fund financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards also require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the pension fund financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the pension fund's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Interim Director of Financial Resources; and the overall presentation of the pension fund financial statements.

In addition, we read all the financial and non-financial information in the Introduction to identify material inconsistencies with the audited pension fund financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the pension fund financial statements

In our opinion the pension fund's financial statements: give a true and fair view of the financial transactions of the pension fund during the year ended 31 March 2015 and of the amount and disposition of the fund's assets and liabilities as at 31 March 2015; and have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2014/15 and applicable law.

Opinion on other matters

In our opinion, the information given in the Introduction for the financial year for which the pension fund financial statements are prepared is consistent with the pension fund financial statements.

Appendix B: Audit opinion for inclusion in Pension Fund's Annual Report

We anticipate we will provide the Council with an unmodified audit report on the Pension Fund

Independent auditor's statement to the members of Lancashire County Council on the pension fund financial statements included in the pension fund annual report

We have examined the pension fund financial statements of Lancashire County Council for the year ended 31 March 2015 under the Audit Commission Act 1998, which comprise the fund account, the net assets statement and the related notes.

This statement is made solely to the members of Lancashire County Council, as a body, in accordance with Part II of the Audit Commission Act 1998 and as set out in paragraph 48 of the Statement of Responsibilities of Auditors and Audited Bodies published by the Audit Commission in March 2010. Our work has been undertaken so that we might state to the members of the authority those matters we are required to state to them in an auditor's statement and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our work, for this report, or for the opinions we have formed.

Respective responsibilities of Director of Financial Resources and auditor

As explained more fully in the Responsibilities for the statement of accounts the Director of Financial Resources is responsible for the preparation of the Statement of Accounts of Lancashire County Council, which include the pension fund's financial statements, in accordance with applicable law, proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2014/15, and for being satisfied that they give a true and fair view.

Our responsibility is to state to you our opinion on the consistency of the pension fund financial statements included in the pension fund annual report with the pension fund financial statements included in the Statement of Accounts of Lancashire County Council, and its compliance with applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2014/15.

In addition we read the other information contained in the pension fund annual report and consider the implications for our statement if we become aware of any apparent misstatements or material inconsistencies with the pension fund financial statements. The other information consists of Management Structure, Foreword by the Chair of the Pension Fund Committee, Governance of the Fund, Administration of the Fund, Knowledge and Skills Framework, Investment Policy and Performance and Actuarial Valuation.

We conducted our work in accordance with guidance issued by the Audit Commission. Our report on the administering authority's annual Statement of Accounts describes the basis of our opinion on those financial statements.

Opinion

In our opinion, the pension fund financial statements are consistent with the pension fund financial statements included within the annual Statement of Accounts of Lancashire County Council for the year ended 31 March 2015 and comply with applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2014/15.
