

Report to the Leader of the County Council
Report submitted by: Head of Service - Procurement
Date: 17 May 2016

Title of Report: Contract Award – Supply of Vehicle Body Building Services

Brief Description:

This report sets out a recommendation, following completion of a competitive tender process conducted in accordance with the County Council's standing orders to approve the award of a framework agreement for the provision of vehicle body building services.

This is deemed to be a Key Decision and the provisions of Standing Order No. 25 have been complied with.

Recommendation:

The Leader of the County Council approved the recommendation as set out in the full report.

This decision should be implemented immediately for the purposes of Standing Order 34(3) as any delay could adversely affect the execution of the County Council's responsibilities. The reason for this is to enable the contract to be awarded following the mandatory 10 day "standstill" provision to ensure the continuation of the service.

The full report is not available for publication as it contains exempt information as defined in Paragraph 3 of Part 1 of Schedule 12A to the Local Government Act 1972. The report contains information relating to the financial or business affairs of any particular person (including the authority holding that information). It is considered that in all the circumstances of the case the public interest in maintaining the exemption outweighs the public interest in disclosing the information.
