

## Proposed 2017-18 Cycle Safety Programme

Project Name	District	Division	Project Description	Total Cost
Ribbleton Avenue "Quiet way" bypass via Fletcher Road	Preston South East	Preston	This scheme will reduce cyclist collisions on both Ribbleton Lane and New Hall Lane by directing cyclists along quiet streets parallel to the major trafficked roads. The scheme introduces signage and on carriageway cycle symbols to aid navigation.	£50,000
Westgate	Burnley Central West	Burnley	This scheme will help cyclists be more visible to motorists that are turning right between Hattersley Street and Ashfield Road junctions. This will include the marking of advisory cycle lanes, and highlighting the lanes across junctions.	£20,000
St Andrews Road Cycle Contraflow	St Annes North and St Annes South	Fylde	Contraflow cycle lane on St Andrews Road from the junction with St Thomas Road to The Crescent that will improve access and safety into St Anne's town centre and the railway station. Comprises of signing and a mandatory contraflow cycle lane.	£10,000
North Clifton Street Cycle Contraflow	St Annes North	Fylde	Cycle contraflow that improves safety between Clifton Street and Westby Street in Lytham. Comprised of signing and cycle symbols on the carriageway.	£10,000
Maplewood Close	Lytham	Fylde	This scheme will assist cyclists accessing Lytham Railway Station and Lytham Hall Park Primary School by opening up a quieter, safer route to both destinations along Broadwood Way and South Park. Bypassing the busier roads of Forest Drive to the north and Blackpool Road/Church Road to the south. Measures include the removal of barriers that currently prevent cycling, and installing dropped kerbs.	£10,000
Bridleway upgrade contribution, Winery Lane to the Old Tram Bridge	Penwortham East and Walton le Dale	South Ribble	This project comprises an upgrade of a bridleway from Winery Lane to the Old Tram Bridge in Avenham Park directing cyclists off the major trafficked roads, and therefore reducing collisions. The additional funding will be provided from the Public Rights of Way capital allocation.	£80,000
New Hall Lane "Quiet way" bypass via Fishwick Parade	Preston South East	Preston	This scheme will reduce cyclist collisions on Ribbleton Lane and New Hall Lane by directing cyclists along quiet streets parallel to the major trafficked roads. The scheme introduces signage and on carriageway cycle symbols to aid navigation.	£150,000
Longridge Line Upgrade	Preston East	Preston	This scheme is an upgrade to the existing cycle track to reduce collisions on adjacent roads. Works will include improved signage, a pedestrian/cyclist crossing at Gamull Lane, and improved access to the cycle track.	£150,000
Pipeline Project Development	Countywide as necessary	Countywide as necessary	This budget will enable initial design works to be undertaken on the proposed schemes currently being reviewed for 2018-19 capital programme.	£20,000
<b>Total:</b>				<b>£500,000</b>
