Executive Summary

The Council is required, each year, to specify the financial threshold above which decisions should be treated as Key Decisions as defined in Standing Order 25(1).

Recommendation

It is recommended that the Full Council confirms that the financial threshold for Key Decisions, for the purposes of Standing Order 25(1), should remain at £1.5m for 2018/19.

Background and Advice

Standing Order 25(1) defines a Key Decision of the Cabinet/Cabinet Member for the purpose of the requirement for the County Council to publish details of a Key Decision at least 28 clear days before the decision is due to be taken.

A key decision means an executive decision which is likely:

- (a) to result in the council incurring expenditure which is, or the making of savings which are significant having regard to the council's budget for the service or function which the decision relates; or
- (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the council.

In the case of (a), a decision with a significant financial impact on the County Council, the current threshold is £1.5m.

The Council is required, by number 13 in its list of functions in the Constitution, to “specify, before the beginning of each financial year, the amounts of expenditure and savings that shall be regarded as significant for the purposes of Standing Order 25 (key decisions).”

The current threshold (£1.5m) in respect of 2017/18 was approved by the Full Council in February 2017. The Director of Finance has, in consultation with Legal and Democratic Services, reviewed the financial threshold for key decisions. The recommendation arising from the review is that the threshold should remain at this level. It is proposed, therefore, that the threshold for 2018/19 should be £1.5m.
