

Education Scrutiny Committee Work Programme 2018/19

The Education Scrutiny Committee Work Programme details the planned activity to be undertaken over the forthcoming municipal year through scheduled Committee meetings, task group, events and through use of the 'rapporteur' model.

The items on the work programme are determined by the Committee following the work programming session at the start of the municipal year in line with the Overview and Scrutiny Committees terms of reference detailed in the County Councils Constitution. This includes provision for the rights of County Councillors to ask for any matter to be considered by the Committee or to call-in decisions.

Coordination of the work programme activity is undertaken by the Chair and Deputy Chair of all of the Scrutiny Committees to avoid potential duplication.

In addition to the terms of reference outlined in the [Constitution](#) (Part 2 Article 5) for all Overview and Scrutiny Committees, the Education Scrutiny Committee will:

- Scrutinise matters relating to education delivered by the authority and other relevant partners
- Fulfil all the statutory functions of an Overview and Scrutiny Committee as they relate to education functions of a Children's Services Authority

The Work Programme will be submitted to and agreed by the Scrutiny Committees at each meeting and will be published with each agenda.

The dates are indicative of when the Education Scrutiny Committee will review the item, however they may need to be rescheduled and new items added as required.
