

## Statutory Notice of Forthcoming Executive Key Decision taken under the provisions of Standing Order C21

Published in Accordance with The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 (“the Regulations”)

<b>Title:</b>	Market Sustainability - Funding to Support the Adult Care Market
<b>Summary:</b>	<p>This report sets out a proposal to provide financial support to providers of adult social care who contract with Lancashire County Council. This proposal utilises specific government funding, which has been provided to ensure both adult social care market sustainability and to support the NHS to safely discharge people home from hospital or to avoid admissions.</p> <p>This is deemed to be a Key Decision and the requirements of Standing Order C21 have been complied with. Compliance with Standing Orders C19 and C20 was not possible due to the decision on the overall use of Discharge funding only being made recently through external NHS governance, and the urgency of the support required by the care market in order for providers to utilise the monies to maintain support levels and meet demand for care and support.</p>
