<b>Title:</b>	Re-commissioning Domiciliary Care for People with Learning Disabilities in Supported Living in Lancashire 2014/15 to 2021/22 under a Revised Framework
<b>Summary:</b>	<p>The Cabinet Member for Adult and Community Services is recommended to approve proposals for Re-commissioning and Procuring Learning Disability Supported living (Domiciliary care) services over a 3 year period under a revised Framework from June 2015</p> <p>The County Council spends around £70 million on specific supported living arrangements across the County. The model is based on several people living in rental accommodation, sharing 24 hour formal paid support. This has been a popular model for over 30 years, with up to 1830 people supported in around 700 schemes, these range from single tenancies to larger flat let schemes.</p> <p>The County Council developed a specific Learning Disability Preferred Provider Scheme in 2007, which was revised in 2010 but has been extended to the 31st May 2015 which has allowed a fuller review. It cannot be extended beyond June 2015.</p> <p>A review of the current scheme commenced in October 2013, which has included formal consultation with existing providers of supported living, self-advocates, family members and a range of other stakeholders, with a focus on what has worked well in the existing scheme, what has not worked well and what needs to change going forward.</p> <p>The engagement and feedback has had a significant impact on the option appraisal and final recommendations for ensuring the effective commissioning and procurement of good quality and affordable domiciliary care for people with a learning disability in Lancashire from June 2015.</p>
