Title:	Request Approval to Extend Existing Contracts in Response to Covid-19 Outbreak
Summary:	<p>Given the unprecedented circumstances brought about by the COVID-19 outbreak the Procurement Service has undertaken an urgent review of contracts expiring that would otherwise have been re-procured in the next 6 to 12 months. Proposals for those contracts have been considered in accordance with Procurement Policy Note 01/20 'Responding to COVID-19' and this report identifies those contracts meeting the criteria for extension with the incumbent supplier.</p> <p>This is deemed to be a Key Decision and the provisions of Standing Order No. C21 have been complied with. Standing Order Nos. C19 and C20 were impracticable because, at the time the 28 days Notification was published, there was no requirement for the contracts to be extended.</p>
