6. Exclusion of Press and Public

Resolved: That the press and members of the public be excluded from the meeting during consideration of the following items of business on the grounds that there would be a likely disclosure of exempt information as defined in the appropriate paragraph of Part I of Schedule 12 A to the Local Government Act 1972. The Committee considered a report on the proposed permanent change of one non-operational ICT labour position in order to support the company following the changes in service requirements from baseline 'Transfer Station' operations to its current 'Waste Processing' operations, and also to reduce the risks and exposure that were identified within the report.

Resolved: That the recommendations, as set out in the report now presented, be approved.
