Title:	The implementation of the SEND Sufficiency Strategy – Part 1
Summary:	This report presents the steps that have been taken and the outcomes of initial informal consultations with respect to capital projects that were identified as part of the SEND Sufficiency Strategy that was approved by cabinet in January 2020. Specifically this report relates to the creation of

	special educational needs units attached to four mainstream primary schools, the expansion of Sir Tom Finney Community High School and the expansion and relocation of Broadfield Specialist School. Approval is sought from cabinet to progress these projects through statutory processes required to implement the identified changes to these schools. Approval is also requested to streamline the process for seeking approval for prescribed changes to schools in the future.
Portfolio Holder(s)	Cabinet Member for Children, Young People and Schools

Where the above documents are open to public inspection, copies will be published on the Council's website at least five clear days before the meeting when the decisions are made.

Please note that decisions on the above matters may be taken later than the date shown.

The meeting is likely to move into private session for part of the meeting to consider various reports. If so, the public will be excluded from that part of the meeting. The reason for this is that those reports will, or may, involve the disclosure of confidential and/or exempt information as defined within S100A(3) and Schedule 12A of the Local Government Act 1972. A final decision on whether the meeting shall move into private session will be taken during the meeting. Should you wish to make any representations in relation to part of the meeting being held in private, please contact Josh Mynott at josh.mynott@lancashire.gov.uk
