Where the above documents are open to public inspection, copies will be published on the Council's website at least five clear days before the meeting when the decisions are made.

Please note that decisions on the above matters may be taken later than the date shown.

The meeting is likely to move into private session for part of the meeting to consider various reports. If so, the public will be excluded from that part of the meeting. The reason for this is that those reports will, or may, involve the disclosure of confidential and/or exempt information as defined within S100A(3) and Schedule 12A of the Local Government Act 1972. A final decision on whether the meeting shall move into private session will be taken during the meeting.
