#### **Background and Advice**

Between 13 November and 17 November 2017, Ofsted and the CQC conducted a joint inspection of the local area of Lancashire to judge the effectiveness of the area in implementing the special educational needs and disability (SEND) reforms, as set out in the Children and Families Act 2014.

As a result of the findings of the inspection, and in accordance with the Children Act 2004 (Joint Area Reviews) Regulations 2015, Her Majesty's Chief Inspector (HMCI) has determined that a written statement of action is required due to the significant areas of weakness in the local area's practice. HMCI has also determined that the local authority and the area's clinical commissioning groups are jointly responsible for submitting the written statement to Ofsted. The outcome letter is attached at Appendix 'A'.

The findings of the inspection were presented to the Children's Services Scrutiny Committee at its meeting held on 31 January 2018. It was agreed at this [meeting](#) that an update on progress following the outcome of the joint inspection would be presented to members at the 11 April 2018 meeting of the committee. An invitation

to this meeting was also extended to all members of the Education Scrutiny Committee.
