#### **Executive Summary**

An update on pension related training involving members of the Committee since the last meeting.

#### **Recommendation**

The Committee is asked to note the report and any feedback from individual members given at the meeting in relation to training they have received.

#### **Background and Advice**

The Training Policy of the Lancashire County Pension Fund sets out the approach to support the learning and development needs of individuals with responsibility for the strategic direction, governance and oversight of the Fund through their membership of the Pension Fund Committee or the Lancashire Local Pension Board.

Since the last meeting there has been one pension related training event:

**7<sup>th</sup> February 2020 - Workshop on the Local Pension Partnership Budget** at County Hall, Preston attended by County Councillors E Pope, A Schofield, L Collinge and P Steen and the Coopted members - Mr P Crewe and Ms J Eastham.

#### **Implications:**

This item has the following implications, as indicated:

## **Risk management**

Without the required knowledge and skills, those charged with governance and decision making may be ill-equipped to make informed decisions regarding the direction and operation of the Pension Fund.

The Training Policy seeks to apply best practice and to ensure compliance with guidance from CIPFA and the Pensions Regulator. Failing to implement an adequate Training Policy and framework and to regularly review the effectiveness of training arrangements would place the County Council (as Administering Authority) at risk of non-compliance with the Pensions Regulator's Code of Practice No. 14 (Governance and administration of public service pension schemes) and the legislative requirements that this code interprets.

## **Financial**

Decisions made by the Pension Fund Committee have direct financial implications for the Fund. The Fund's Training Policy forms part of its governance and risk management arrangements which seek to ensure that the members of the Pension Fund Committee and Pension Board are well-informed, confident, and knowledgeable participants who work effectively and consistently in the best interests of the Fund and its stakeholders.

The cost of attendance, together with travel and subsistence costs, are met by the Pension Fund.
