

STATEMENT OF REASONS

Chorley

(Horrobin Lane, Rivington)

"The purpose of the order is to introduce a reduced speed limit along the approach to the existing 20mph speed limit within the village centre for avoiding danger to persons or other traffic using the road. The measures being proposed would reduce traffic speed along the reservoir section approach to the village 20mph limit which is a popular parking area for visitors to various local establishments."

Chorley

(North Road, Bretherton – Marl Cop, Bretherton – Cocker Bar Road, Bretherton)

"The purpose of the order is to introduce a reduced speed limit along the western side of North Road, Bretherton to reflect the increased occupancy along this section and its proximity to the main village 30mph limit. The measures being proposed would reduce traffic speed on the approach to the village in the vicinity of the main access road junctions."
