

## **STATEMENT OF REASONS**

### **Various Roads Feb 2020 Speed Limits (No1) (894.12356) - Amendment**

#### **Chorley**

([Ulnes Walton Lane, Ulnes Walton](#))

The purpose of the amendment to this proposal is to rectify two issues that have arisen as a result of errors in the original proposal.

Due to a technical issue the northern extent of the 40mph speed limit was incorrectly advertised as being extended. There is no intention of extending the 40mph speed limit in a northerly direction along Ulnes Walton Lane and so this amendment is to rectify any confusion or concern that may have occurred as a result of this error.

The 30mph section at the south end of Ulnes Walton Lane from its junction with the A581 Southport Road is now being pursued as 30mph by virtue of a traffic regulation order in order to satisfy technical and legal requirements.
