## **Detail**

The county council is the admissions authority for community and voluntary controlled schools. In accordance with Sections 88A-Q of the School Standards and Framework Act 1998, as amended by the Education and Skills Act 2008 and regulations, the county council is required to consult widely about the proposed admission arrangements for schools where it is the admissions authority.

During Autumn Term 2021, the county council consulted with the governors of community and voluntary controlled schools on the proposed arrangements for admission to those schools for the 2023/2024 school year. The governors were invited to comment on the proposed admissions policy and admission number for their school. Further parties, including other admission authorities within the relevant area for each community and voluntary controlled school, were also consulted about these proposals. A full list of those consulted is included within this report.

The proposed admission numbers for community and voluntary controlled secondary schools, primary schools and sixth forms for the school year 2023/2024 are set out at Appendices 'A' and 'B'.
