### Brief Summary

An update on the progress made in relation to matters previously considered by Committee.

### Recommendation

The Committee is asked to note the progress report.

### Detail

At the Regulatory Committee meeting held on 16<sup>th</sup> September 2020, Members asked whether it would be possible to be updated on the progress made in relation to matters previously presented to them.

A summary of the current progress on Definitive Map Modification Order applications is provided below, focusing on those matters which have progressed since the last update report. This data was extracted from the statutory register on the 26<sup>th</sup> of August 2022. The register can be viewed at <https://dmmo.lancashire.gov.uk/>

It should be noted that although the term 'applications' has been used for convenience these are not all formal applications made under Schedule 14 of the Wildlife and Countryside Act 1981 but include some cases where sufficient evidence has been discovered or presented to the county council to indicate an investigation is appropriate.

## **Definitive Map Modification Order Applications Added to the Register Since Last Committee**

These applications have been added to the statutory register since the last update report was presented to the Committee.
