For the financial year 2024/25, each Champion has been given an annual allocation of £10,000 for use at their discretion to finance their activities, to which any unspent balance up to a maximum of £2,500 from the previous financial year could be added,

giving a maximum budget of £12,500 in any one financial year. The Champion for Armed Forces and Veterans total budget is set out in the financial section of the report.

To mark this occasion they are holding a celebration weekend at Spean Bridge Scotland which will consist of a trip to Achnacarry House where the original commands trained, a regimental dinner and a memorial service at the Spean Bridge Memorial. There will be about 20 members and family attending from their branch and the estimated cost of the coach is £2,000.

Please give a detailed breakdown of your expenditure for your activity / equipment.
The funding would be used towards the cost of the coach hire.
If you are not asking for the full amount of the cost of your activity / equipment, please give us details of where the rest of the funding is coming from. Please also explain what you will do if we give you the grant, but you do not get the other funding.
They will pay the other half of the travel expenses from their branch bank account
If the Champion offers a grant of less than you have asked for, please explain below how that will affect your proposal – for example, will you still be able to complete your project or purchase, will you scale the project back, or seek funding elsewhere?

If they are offered less than the £1,000 they would find that some of their members would not be able to attend
