## Appendix 'A'

Why do you say this?	Are you responding to this proposal as...?	If other,	Gender
Those children deserve local support as much as anyone else	parent/carer of a future pupil at Barrowford Primary School		Female
	Member of the local community		Female
<p>The school already appears overcrowded with a number of parking issues and concerns that will only be added to by additional individuals coming from further afield. The schools catchment area already means a number of parents using the street as a drop off zone and either letting children walk up the street in the road or by blocking cars in and blocking back street exits. Drop off and pickup is carnage in the morning and after school, with some parents turing up over an hour early in order to get parking spaces. There seems to have been an increase in the number of taxis attending as they all seem to queue for the top yard car park bringing the street to a stand still</p>	Member of the local community		Female
<p>I am against any expansion of Barrowford school since the current lack of consideration already displayed by staff and parents to residents. More pupils being brought in from out of area equates to more vehicles. Drivers have already displayed aggressive and threatening behaviours towards elderly residents simply for requesting access to there properties, some are now worried. There is no current consideration or appreciation for the one way system, people using the cul-de-sac as a drop off have also damaged residents vehicles. The school will take no responsibility. The amount of litter left outside of the school is also a concern, residents are already responsible for cleaning the front street and what blows in their yards</p>	Member of the local community		Prefer not to say
<p>The current situation for parents parking dropping off and picking up children has reached the an absolute limit. The additional 16 pupils will without doubt add to the traffic. How can this school continue to increase pupil number on the current footprint of the school. The residents of Rushton St and Broadway Place are constantly being blocked in or unable to access drives with inconsiderate parents and their rude and and sometime verbally abusive attitudes.</p>	Member of the local community		Male
