Brief Summary

This report presents an application from an organisation requesting £500 towards seating, entertainment and refreshments for their event in June from the Champion for Armed Forces and Veterans budget.

Recommendation

That consideration be given to the request for grant funding as set out in this report.

Detail

The role of Champion was first established in 2002 and the county council currently has six Champions, whose role is to support the Leader and individual Cabinet Members within their remits.

The six county council Champions are as follows:

- Armed Forces and Veterans
- Disabled People
- Mental Health
- Older People
- Parishes
- Young People

For the financial year 2024/25, each Champion has been given an annual allocation of £10,000 for use at their discretion to finance their activities, to which any unspent balance up to a maximum of £2,500 from the previous financial year could be added,

giving a maximum budget of £12,500 in any one financial year. The Champion for Armed Forces and Veterans total budget is set out in the financial section of the report.

They are hoping this will cover most things they have planned as they have an organisation spent a lot money last year for the flag raising event which was cancelled so they are quite short of funds now.

If the Champion offers a grant of less than you have asked for, please explain below how that will affect your proposal – for example, will you still be able to complete your project or purchase, will you scale the project back, or seek funding elsewhere?

They will try and get it of members of local businesses

Will the activity involve members of your organisation having significant contact with children or vulnerable adults?
