Detail

On 16 December 2021, Full Council approved the reintroduction of the Local Member Grants Scheme. Under the scheme, each county councillor has been given a specific budget which they can spend to enhance the economic, social, and environmental well-being of people who live in their division. Following the reintroduction, using powers in the Local Government and Public Involvement in Health Act 2007, the Leader of the County Council has authorised individual county councillors to take formal decisions on behalf of the county council.

For the financial year 2024/25, each county councillor has a budget of £2000. Each councillor can also carry forward a maximum of £200 that was unspent in the previous financial year. County Councillor Steven Holgate's total budget is set out in the financial section of the report.

What are you going to spend the grant on?	
<p>Working in partnership with Lancashire music service the Charity is supporting this years "Lancashire Sings" events (Renamed from "Big sings"). These events have exploded in popularity meaning that this year we have had to add 2 extra Chorley dates for the 1st time, taking us to 3 days! This popularity means extra costs and we are now looking for financial support to enable us to keep costs as low as possible for each participating school. The schools involved are all from the Chorley and surrounding areas and we will reach 676 pupils from 24 Primary schools.</p> <p>The wider benefits of singing are widely known; from enhancing general learning skills in reading and language, to contributing to enhanced well-being and developing confidence in our young people. Lancashire schools are noticing the long-lasting effects of regular, quality singing in their lives, evident in this year's number of sign-ups.</p> <p>Our Lancashire Sings Model works on 4 principles: 1. Circulating high quality, accessible resources that benefit entire schools, of every ability and area, for the whole academic year. 2. Sharing best singing practise in good technique, vocal health and musical understanding through teachers CPD sessions and school workshops. 3. Bringing local schools together as a musical community to work in important local venues alongside inspirational musicians and sharing their skills with audiences from their community. 4. Performing, developing confidence and stagecraft to create long lasting musical memories and hopefully a lifelong love for singing</p> <p>The Chorley event takes place on the 11th & 12th June 2024.</p>	
Date of your project / event or the purchase of goods	
11 th ,12 th & 13 th June 2024	
How will the money benefit people in the councillor(s) division(s)?	
<p>The money will benefit pupils at schools in the councillors' divisions by enabling us to keep costs as low possible and free at the point of contact for pupils, allowing them access to high quality resources, workshops and the experience of a high-quality live event.</p> <p>It is also contributing to a feeling of belonging and wellbeing as this an inclusive event, where all participants are welcomed and important.</p>	
Please give a detailed breakdown of your expenditure for your activity / equipment.	
<p>School workshops. Vocal Leader 6 days @ £150/day - £900 Venue Chorley Town Hall Hire (2 days) - £900</p>	

Band 3 musicians for 5 hours @ £25.20 per hour x3 - £1,134
 Vocal Leader (event) 3 day - £450
 TOTAL £3,384

Schools have also received resources and In school workshops with the costs being covered by LMS.

If you are not asking for the full amount of the cost of your activity / equipment, please give us details of where the rest of the funding is coming from. Please also explain what you will do if we give you the grant, but you do not get the other funding.

The rest of the funding for the event is coming from ticket sales (@ £2.50pp) and LMS will fund the final outstanding amount.

If the councillor offers a grant of less than you have asked for, please explain below how that will affect your proposal – for example, will you still be able to complete your project or purchase, will you scale the project back, or seek funding elsewhere?

We will still run the event and continue to seek funding from other sources.

Will the activity involve members of your organisation having significant contact with children or vulnerable adults?
