Executive Summary

The Audit and Governance Committee considered a paper in March 2013 setting out the approach to establishing the plan of work to be undertaken by the county council's internal audit service for the coming financial year. It noted that the total planned resource is approximately **2,670 audit days**.

Appendix 'A' provides the same information to the newly constituted committee and sets out a list the work that will be undertaken under the annual audit plan for 2013/14.

Recommendation

The committee is requested to consider and approve the audit plan for 2013/14.

Background and advice

The council is required by The Accounts and Audit (England) Regulations 2011 ('the regulations') to conduct a review at least once in a year of the effectiveness of its system of internal control and to approve an annual governance statement, prepared in accordance with proper practices in relation to internal control.

The regulations also require the findings of this review to be considered by a committee of the council or else by the council as a whole, and the Audit and Governance Committee fulfils this role.

The responsibility for implementing, maintaining and reviewing the system of internal control rests with the council, but the process by which the effectiveness of its system of internal control is reviewed and the governance statement is made includes obtaining assurances on the effectiveness of key controls. In practice, these assurances will be substantially drawn from the work of internal audit.

The audit plan is therefore focussed on providing these assurances to the chief executive and leader of the council who are jointly required to sign the annual governance statement.

Consultations

As part of the audit planning process the internal audit team has:

- Considered the county council's corporate and individual directorate/ service plans and budget reports;
- Met the senior management teams of the county council's directorates to discuss their risks and related controls; and
- Made its own assessment of the risks facing the county council.

Implications

Not applicable.

Risk management

This report supports the Audit and Governance Committee in undertaking its role, which includes providing independent oversight of the adequacy of the council's governance, risk management and internal control framework.
