Dear Karen

Lancashire County Pension Fund - Financial Statements for the year ended 31 March 2013

This representation letter is provided in connection with your audit of the financial statements of Lancashire County Pension Fund for the year ended 31 March 2013 for the purpose of expressing an opinion as to whether the financial statements show a true and fair view of the financial transactions of the Fund during the year ended 31 March 2013, and of the amount and disposition at that date of its assets and liabilities, in accordance with applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2012/13 (the Code).

Financial Statements

- 1 Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
- 2 Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of the Code.
- 3 All events subsequent to the date of the financial statements and for which the Code requires adjustment or disclosure have been adjusted or disclosed.
- 4 We have not adjusted the misstatements brought to our attention on the audit differences and adjustments summary, attached to this letter, as the financial statements are free of material misstatements, including omissions.
- 5 We believe that the Pension Scheme's financial statements should be prepared on a going concern basis on the grounds that current and future sources of funding or support will be more than adequate for the Pension Scheme's needs. We believe that no further disclosures relating to the Pension Scheme's ability to continue as a going concern need to be made in the financial statements.
- 6 We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
- 7 We acknowledge our responsibilities for making the accounting estimates included in the financial statements. Where it was necessary to choose between estimation techniques that comply with the Code, we selected the estimation technique considered to be the most appropriate to the Pension
